MADE IN ITALY GUARANTEE

DESTA guarantees the authenticity of all our items. All the garments are made in our own factory in Italy in full compliance with the strictest rules of the ancient Italian manufacturing tradition. We use only the best materials and employ the most skilled workers, giving each garment unique craftsmanship. All products are strictly MADE IN ITALY.

OUR CUSTOMER SERVICE

The knowledge of the market and the real needs of our customers are one of the cornerstones of the way we operate. Our DESTA Customer Service staff are qualified members of the team, who can provide the complete service package: giving our customers the best, beyond just purchasing and sales.

EXCLUSIVE CUSTOM MADE SERVICE

All our garments can be made to measure with various options from the series. The custom-made service is exclusive and unique.

PRODUCT AND SERVICE FOR EVERY CUSTOMER'S NEED

In addition to the items displayed in this catalog, the DESTA laboratories can realize custom made vestments, Confraternities and Religious Orders vestments, collars, banners, flags and accessories, special cordons, personalized furniture and holy vessels in precious metal, renovations and refurbishment of metal items, design and supply of wooden furniture for churches and communities, customized products. For large quantity orders, there will be special prices upon certain conditions.

CAREFUL SELECTION OF RAW MATERIALS

The perfect tailoring of a garment that respects the most rigorous standards of the great Italian sartorial tradition represents the minimum standard for DESTA laboratories: the real goal is to guarantee the complete satisfaction of the customer, for example, giving his cassock an exclusive touch. All this starts from the careful selection of materials: starting from those with an exceptional quality/price ratio up to the finest Italian silks.

DESTA'S COMMITMENT TO INNOVATING TECHNOLOGIES AND HIGHEST STANDARDS

Commitment to excellence, innovation and the maintenance of the highest standards in terms of quality of tailoring and style, each production phase, is guaranteed by the perfect combination of craftsmanship and the most advanced technology. Thanks to the use of sophisticated systems that allows obtaining the highest quality, the precision of execution and the flexibility in production, we produce the best of the best.

COMPLIANCE WITH DELIVERY TERMS

The orders are processed as soon as possible, in relation to the availability of items in stock. Customers can request an expected delivery by indicating it at order: in these cases, the order will be processed within the data confirmed by us.

THE WEBSITE DESTA.COM

Our website desta.com is secure and certified thanks to the SSL protocol: in this way the user is fully protected in his navigation. On desta.com it is possible to view the detailed data sheets of each product complete with images and information, submit request for offers comfortably from home or from your mobile device. desta.com is constantly updated and allows you to discover news and special offers in real time. Navigating desta.com is easy, convenient, and fast.

CERTIFICATIONS

Woolmark certifies that the wool yarns used to make the garments meet all international standards relating to the composition and quality of the wool used in the production chain.

Woolmark Blend certifies that all the mixed yarns are made with the use of pure virgin wool, in a percentage that can vary from 50% to 99%.

Woolmark Total Easy Care guarantees that the garment, appropriately designed and manufactured according to specific needs, in compliance with the care and maintenance instructions for the garment reported on the specific label, can be repeatedly washed in the washing machine and dried without losing any of the own structural and aesthetic characteristics.

Confidence in textiles issued by the OEKO-TEX International Association, certifies compliance with the immuno-ecological requirements established by the international standard OEKO-TEX Standard 100.

Organic Certified by ICEA [GOTS 2017-020] issued by ICEA, guarantees the production of textile products in natural fibers from organic farming, fully traceable and in accordance with the requirements set by the Global Organic Textile Standard (GOTS).

Green Energy DESTA uses only clean energy obtained from renewable sources for the realization of its products.

The products shown in this catalog are a selection of the entire DESTA production. You can visit our website desta.com for further details and other products. Below you can see the size charts. For shirts, all the available items are listed.

For Roman Cassocks, sizes in yellow shade are available in standard sizes or **Regular Fit for cassocks (RF)**. **Hand-Tailored (HT)** and **Hand-Tailored "Special" (HTS)** could be provided on demand.
